Notice for TC 295's 4th ad-hoc meeting on data modeling

Dear members,

Firstly hope you everything goes well!

The ad-hoc meeting on data modeling is scheduled on **May 12, 2021 at 19:00-21:00 Beijing time (UTC+8)**. Please see the Annex A for meeting agenda and Annex B for Zoom access details.

According to the results of April 19's meeting, the discussion on data modeling especially the UN/CEFACT Core Component Library (CCL) will continue. For a better understanding of ISO 15000-5:2014 and CCL, Ms. Sue Probert who is the chair of UN/CEFACT has been invited to make a presentation at the upcoming meeting. I believe this is a great opportunity for TC 295 to talk with UN/CEFACT and seek for the ties jointly. I sincerely look forward to your participation and valuable inputs.

Your participation and contribution are vital to the success of TC 295. On behalf of the secretariat of TC 295, I would like to express my sincere gratitude to all members. Should you have any questions or doubts, please don't hesitate to contact me by email or by phone:
